Vicenza CYSS Registration Packet

WELCOME TO VICENZA

Child, Youth & School Services has a wide range of services and programs available to help you with your childcare needs and make your children feel right at home!

Registration for all services and programs starts here in the Parent Central Services office. The following two items are required to complete your child's registration:

IMMUNIZATION RECORDS: For each child in sixth grade or younger, and for all home-schooled children.

EMERGENCY DESIGNEES: At least two per family; must be someone other than the parents and at least 18 years old. Each emergency designee must have unrestricted access to the post and you must agree to allowing the designee to pick up your child if we cannot reach you or your spouse in an emergency.

It is good to also have income information (LES, pay stub, etc) for each working adult in the household. We can complete the registration process without it, but depending upon the services/programs you want to use, you may have to return to the office later to provide it.

At the time of registration we will give you a health assessment form for each child that must be returned to us within 30 days of your registration date.

That's it!! Easy and fast! If you have any questions, please call us at DSN 634-7219 or 7206; civilian 0444-71-7219 or 0444-71-7206. Registration hours are Monday-Friday, 0830 – 1600. The Central Registration office is located in the Davis Soldier and Family Readiness Center, Building 108.

Welcome again from the CYSS Parent Central Services staff!
