THURSDAY, SEPTEMBER 2, 7-9 P.M.  
GIRL WITH THE DRAGON TATTOO  
BY STIEG LARSSON

Once you start *The Girl with the Dragon Tattoo*, there's no turning back. This debut thriller--the first in a trilogy from the late Stieg Larsson--is a serious page-turner rivaling the best of Charlie Huston and Michael Connelly. Mikael Blomkvist, a once-respected financial journalist, watches his professional life rapidly crumble around him. Prospects appear bleak until an unexpected (and unsettling) offer to resurrect his name is extended by an old-school titan of Swedish industry. The catch--and there's always a catch--is that Blomkvist must first spend a year researching a mysterious disappearance that has remained unsolved for nearly four decades. With few other options, he accepts and enlists the help of investigator Lisbeth Salander, a misunderstood genius with a cache of authority issues. Little is as it seems in Larsson's novel, but there is at least one constant: you really *don't* want to mess with the girl with the dragon tattoo. --*Dave Callanan*
