Trip Details:

Asiago is the name of both a minor township and the surrounding plateau region in the Province of Vicenza in the Veneto region. Although best known internationally as the origin of Asiago cheese, Asiago was also the site of a major battle between Austrian and Italian forces on the Alpine Front of World War I.

Once in Asiago, you can use your free time to go shopping for Asiago specialties and we will go taste Asiago cheese. We will then all meet together to share a delicious lunch at a mountain lodge.

9 a.m. – depart from Outdoor Rec

10-10:30 a.m. – arrive to Asiago: Time for Shopping and Cheese Tasting

Lunch from 12:30 p.m. to 2:30 p.m.

4 p.m. – return to Caserma Ederle
