**ABOUT LOCATION**  
The hill of Montalcino stands like an island at the heart of Tuscany, offering to those who climb towards it from the surrounding valleys a feeling of achievement in Tuscan beauty.

Brunello di Montalcino is a visibly limpid, brilliant wine, with a bright garnet color. It has an intense perfume, persistent, ample and ethereal. One can recognize scents of undergrowth, aromatic wood, berries, light vanilla and jam. To the taste the wine has an elegant harmonious body, vigorous and racy, it is dry with a lengthy aromatic persistence.
