Trip Details:

The Klagenfurt 'Christkindl Market' is said by many people to be the most beautiful advent market in the Alps-Adriatic region. Held on Neuer Platz around Klagenfurt's landmark - the Lindwurm - dozens of traditionally decorated stalls offer their goods. Here the fresh alpine air turns rich and spicy with the fragrance of Christmas cookies, roasted apples and hot mulled wine with cinnamon. Villach offers another great Christmas market that is set around the parish church and on the Rathausplatz square. Unforgettable Christmas market experiences are guaranteed!

You will have plenty of time to visit the Klagenfurt markets and after lunch we will head to Villach before our eventual return to Vicenza for 9 p.m.

Occasionally to make the most of your time, the trip itinerary may change due to weather, traffic or other external factors beyond our control. Prices may change due to fluctuations in the EURO rate.
