Music & Theatre Volunteers

Soldiers' Theatre functions with a very small staff of only one theatre and one music specialist. We wouldn't be able to keep up with a full theatre season and music programming if it weren't for our fantastic community volunteers!

We are always looking for new volunteers to help build sets, paint, make props or costumes, usher, direct a show, lights or sound, acting and many other things.

You can give two hours or forty. No experience is necessary. We have an experienced, knowledgeable staff and volunteer base that can teach you everything you need to put on a great show!

To become a volunteer please contact us at 634-7281 or 0444-71-7281 or come and visit.

The Soldiers' Theatre Mission Statement

The award-winning Vicenza Army Entertainment program consists of music and theatre activities that support the military communities of the Southern European Task Force. Soldiers' Theatre was the first military theatre to be competitive award recipients in the National Theatre Festival at AACT/Fest '99.

In July 2006, Soldiers' Theatre was, once again, the first military theatre awards recipient, and the official United States representative, at the AACT International Theatre Festival in Midland, Texas.

The program, staff and volunteer participants are members of the IMA-E Entertainment Program and the American Association of Community Theatre. We are guided by the following goals:

- **To improve and enrich** quality of life for all members of our military community through the production of well-rounded music and theatre activities.
- **To enhance** military readiness and well-being by providing opportunities to improve personal and team skills.
- **To create** "Arts in Education" opportunities for students in the local Department of Defense Dependent Schools.
- **To foster** positive community relations, *esprit de corps* and civic responsibility through all aspects of the program.
- **To encourage** social awareness and cultural diversity and exchange.
